- 1. REIMBURSEMENT OF PRACTICE RENTAL COSTS – SUBMISSION OF FORM GP234**
- 2. ERROR IN AMENDMENT NO 137 TO THE STATEMENT OF DENTAL REMUNERATION**

1. This Memorandum reminds dentists and dental bodies corporate (DBsC) of the need to submit a form GP234 by 28 February 2018 in order to continue to receive reimbursement of practice rental costs. It also advises of an error contained in Amendment No 137 to the Statement of Dental Remuneration (SDR), which issued on 22 January 2018.

Reimbursement of Practice Rental Costs – Submission of Form GP234

2. In order to receive reimbursement of practice rental costs an annual declaration (form GP234) requires to be submitted by eligible practices to Practitioner Services. Dentists and DBsC are reminded that the next annual declaration requires to be submitted to Practitioner Services **by 28 February 2018**.

Please note that the current exercise of valuing practice premises for rent reimbursement is a separate exercise, and practices are still required to make an annual declaration.

Error in Amendment No 137 to the Statement of Dental Remuneration

3. The Memorandum to NHS: PCA(D)(2018)1 advised of a number of amendments to Section XV of Determination I of the SDR to allow for electronic submission of non-orthodontic payment claims. Unfortunately due to a transcription error sub-paragraphs 2(a) and (b) of paragraph 4 (time limits) were mistakenly retained from a previous version of the SDR. These have now been removed and a further replacement Section XV is attached to this Memorandum.

Enquiries

4. Any enquiries arising from this Memorandum should be taken up with your NHS Board.
